Providing Visitors with Anonymous Access

You can access our website's home page and browse our sites without disclosing your personal data.

The Services and Links of our Websites

Our websites do not enable our visitors to communicate with other visitors or to post information to be accessed by others.

Our websites may include links to third-party web service providers who may collect personal data.

Automatic Collection of Information

We do not automatically log personal data nor do we link information automatically logged by other means with personal data about specific individuals.

We use cookies to store personal data or link information stored in cookies only for the following purposes:

- Technical administration of the website
- Customer administration

Data Collection and Purpose Specification

We do not collect any personal data from our visitors while using our services.

We do not collect information about our visitors from other sources, such as public records or bodies, or private organisations.

Children's Privacy

We do not collect personal data from children.

Disclosure

We do not disclose our visitors' personal data to third-party organisations, except for payment terms or licensing to third-party services.

Confidentiality/Security

We give you the option of using a secure transmission method to send us the following types of personal data:

- Credit card details

We have implemented security policies, rules and technical measures to protect the personal data that we have under our control from:

- Unauthorised access
- Improper use or disclosure
- Unauthorised modification
- Unlawful destruction or accidental loss

All our employees and data processors, who have access to, and are associated with the processing of personal data, are obliged to respect the confidentiality of our visitors' personal data.

We ensure that your personal data will not be disclosed to State institutions and authorities except if required by law or other regulation.

Access to the Personal Data we may hold about you

You can ask us whether we are keeping personal data about you. Please send your request to:

- dsi@dsidata.com

We will provide you with a readable copy of the personal data which we keep about you, almost instantaneously on-line - although we may before require proof of your identity - we will provide the information without any charge.

We allow you to challenge the data that we hold about you and, where appropriate, you may have the data:

- Erased
- Rectified or amended
- Completed

We reserve the right to refuse to provide our visitors with a copy of their personal data, but will give reasons for our refusal.

We do, however, allow you to challenge our decision to refuse to provide you with a copy of your personal data.
